Going for Bold

A DESIGNER'S WEST PALM BEACH HOME ON THE INTRACOASTAL DAZZLES THE SENSES WITH DARING ART, RETRO ITALIAN FURNISHINGS, AND CUSTOM TOUCHES AT EVERY TURN

An oversized artwork by Cuban painter Jorge Luis Santos and a crimson painting by Fernando de Szyszlo energize this West Palm Beach home's living room outfitted with Zanotta Italian furnishings, including iconic reproduction pieces by Carlo Mollino. A parquet ceiling design by Foglie d'Oro creates a stunning architectural feature crowned with Sonneman's Papillons LED chandelier.
