

Cool blue waters sparkle across the patio in a massive pool designed by Hilary Musser and Lang Design Group. Crisp white pool loungers by Vero are positioned to take in the Intracoastal views. A fiery red heart sculpture by Scott Gerber delivers a splash of color.

ABOVE: A Nemo chair by Fabio Novembre for Driade brings an unexpected sculptural element to a corner of the pool. The stark-white conversation piece contrasts brilliantly with a low-profile Zanotta settee.

BELOW: A bold black-and-white patterned Jill Zarin rug paves the way for the loggia's furnishings. Pristine white Parco sofas with black frames continue the theme, accented with black club chairs and white cocktail tables, all from Zanotta.
